*** One boat can be stored per one Application for Winter Storage. There is a flat fee (not a square footage fee calculation) for each jetski/personal watercraft. Dingys may be stored under boats on jack stands. All boats stored in the front row directly adjacent to the harbor must put into the harbor or be moved next spring at least one week prior to Memorial Day. All winter storage materials must be removed or moved to the east storage lot within 24 hours of launching in the spring. All stored boats (not in the water) must be unplugged from club power supply when the boat owner is not present on the club grounds.**

2026-27 Application for WINTER STORAGE

GBYC Storage Winter Storage 2026-27 Contract

This agreement is made between the Green Bay Yachting Club, Inc (hereinafter GBYC) and the GBYC member in good standing (hereinafter "Member"). The Member noted on this Application for Winter Storage wishes to store his/her boat on GBYC property during the 2026-27 Winter Storage Season. In consideration of said Winter Storage, the Member agrees as follows:

- 1 To make payment with this Application as per the calculations below or to pay online an invoice for the same. Online payment will be Due Upon Receipt and must be paid immediately.
- 2 To continually keep the stored boat insured against claims for property damage caused by the stored boat and any damage to the stored boat.
- 3 To remove the stored boat from storage by June 1st of the spring following this Winter Storage Application. If the stored boat is left stored past that date, Summer Storage fees will be due. One-fourth of the total Winter Storage fees (excluding lift fees) will be due for each month (or partial month) that the boat remains stored past that date.

If extended/Summer Storage is requested due to hardship or extenuating circumstances, the Fleet Captain must receive a WRITTEN LETTER from the Member requesting that the boat be allowed to remain in storage on shore. The letter must include an explanation of the hardship/why the boat must be kept in storage and what arrangements will be made to move the boat in the future. The Fleet Captain will review and file the letter with the club and decide (with the Board of Directors if necessary) if extended storage will be allowed.

- 4 That GBYC shall have a lein upon said stored boat in the amount of the unpaid storage fees until the storage fees are paid in full. The Member shall and must pay all unpaid storage charges prior to removal of the stored boat from GBYC property.
- 5 That at such time as unpaid storage fees accrue to the total of \$750 or more, GBYC will send written notice to the Member and to any secured parties identified by the Member on this Application pursuant to Section 779.43 of the Wisconsin Statutes. Said notice will inform the Member and any lein holder(s) of what steps must be taken to secure the release of the stored boat from GBYC property. In the event that storage fees are not brought current per the terms in that notice within 30 days of the notice issuance, GBYC may enforce its lein as provided for in Section 779.48(2) and 409.507 of the Wisconsin Statutes. Said notice and any and all other correspondence in regards to this item will be mailed to the address of the Member listed on this Agreement and to the address of any lein holder(s) listed on this Application.
